

CREATIVE PLASTICS INTERNATIONAL

Conveniently located within 5 miles of the I-75 corridor at: 18163 Snider Rd., Jackson Center, Ohio 45334

Creative Plastics, established in 1968, is an ISO 9001 registered fabricator of vacuum and pressure formed ABS, PVC, TPO, Vinyl Clad, Polyethylene, Polystyrene and Plexiglas® composites. Its thermoformed products are made to customer specification but used in the production and assembly of medical equipment, office furniture and retail displays, residential construction and a variety of other products for original equipment manufacturers (OEMs) in the industrial, specialty vehicle and travel trailer industries. ***This includes thin gauge recyclable packaging to heavy gauge reusable shipping containers and returnable systems for material handling.***
